ISBR Campus Oral & Ophthalmic Health Drive

IMPACT REPORT 2026

Date:

26 September 2026

Venue:

**ISBR Business School
Electronic City Bangalore**

DIAGNOSTIC OUTCOMES

ISBR Campus Oral & Ophthalmic Health Drive

192 TOTAL SCREENED 41 CLINICAL REFERRALS (21.4%)

A targeted preventive healthcare initiative identifying early-stage visual and oral conditions among students and faculty at ISBR Business School, Electronic City Phase 1, Bengaluru.

Core Focus: Out of 192 individuals screened, **41 participants (21.4%)** were diagnosed with actionable underlying conditions requiring secondary hospital OPD care. This drive shifted focus from symbolic partnership to concrete health interventions.

OPHTHALMIC DEPARTMENT

137 Screened · 32 Referrals (23.4%)

Specialists from **Narayana Nethralaya** Electronic City Bangalore conducted visual acuity tests and refractive assessments.

Primary Diagnostic Trends Identified:

- Uncorrected refractive errors requiring updated prescriptions.
- Digital eye strain & dry eye syndrome due to prolonged screen exposure.
- Suspected astigmatism flagged for detailed corneal topography.

DENTAL DEPARTMENT

55 Screened · 9 Referrals (16.4%)

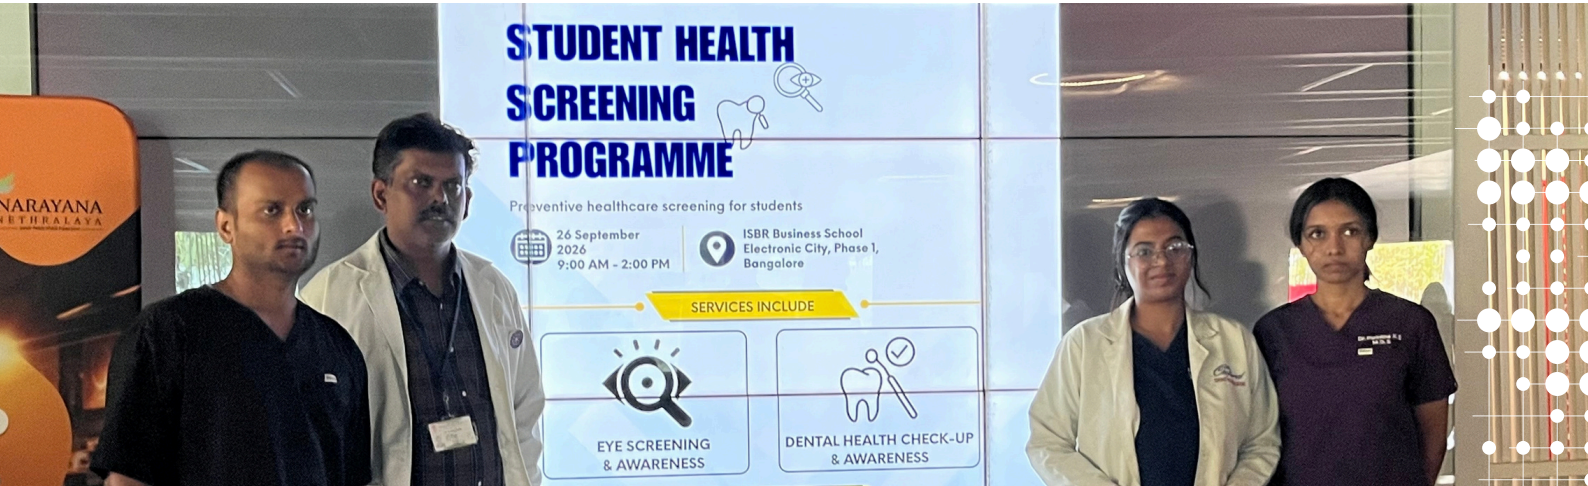

The clinical team from **The Oxford Dental College** Bangalore performed detailed oral health exams.

Primary Diagnostic Trends Identified:

- Active dental caries (cavities) requiring composite fillings.
- Advanced calculus accumulation requiring ultrasonic scaling.
- Impacted third molars (wisdom teeth) requiring surgical review.

Operational Summary Breakdown

- Total Beneficiaries Screened** 192 (190 Students, 2 Faculty Members)
- Ophthalmic Screenings (Narayana Nethralaya)** 137 Screenings · 32 Actionable Referrals (23.4%)
- Dental Screenings (Oxford Dental)** 55 Screenings · 9 Actionable Referrals (16.4%)
- Total Actionable Referral Rate** 41 Beneficiaries (21.4% overall rate)
- On-Ground Clinical Deployment** 26 Members (15 Clinical Staff, 11 Operational Volunteers)

ACTIONABLE FOLLOW-UPS

Referral Care Pathway & Subsidized Treatment

Ensuring diagnosed beneficiaries transition smoothly from campus screening to specialized medical treatment at institutional partner facilities.

GUARANTEED REFERRAL BENEFITS

Priority OPD Access & Concessional Treatment

All 41 referred beneficiaries (32 Eye, 9 Dental) received official referral documentation granting them priority OPD queue access and discounted treatment rates at Narayana Health and The Oxford Dental College hospitals.

OPHTHALMIC PATHWAY

32 Students

Referred to **Narayana Nethralaya** for discounted spectacle fitting, dry eye therapy, and specialized corneal consultation.

DENTAL PATHWAY

9 Students

Referred to **The Oxford Dental College** hospital for subsidized ultrasonic scaling, fillings, and wisdom tooth extraction.

4-Step Referral Action & Tracking Plan

01

Official Referral Slips Issued

Physical referral slips signed by clinical leads were handed to all 41 identified participants during the drive.

02

Priority OPD Fast-Tracking

Beneficiaries bypass general outpatient waiting lines at hospital facilities via dedicated PFMECT desk routing.

03

Subsidized Clinical Care

Institutional concessions applied directly to secondary diagnostics, procedures, and corrective wear.

04

Digital Registry Follow-Up

PFMECT and ISBR student volunteers established a 30-day follow-up tracker to monitor compliance and recovery.

LEADERSHIP SPOTLIGHT & DRIVE OPERATIONS

Key Dignitaries & Clinical Leadership

Dr. Veena Shenoy
Founder & CEO @ Inclusiv
Professor @ ISBR Business School

"Hosting the eye and dental screening camp at ISBR on 26 Sep was a wonderful experience for our students. The PFMECT team, along with Narayana Nethralaya and The Oxford Dental College, ran the camp in a very organised and caring way. Many students got checked for the first time and learned how important it is to find problems early. Initiatives like this show that student wellbeing is an important part of education. We thank PFMECT for this partnership and look forward to many more such initiatives on our campus."

Dr. (Maj.) Narendra P
COO & Administrator
Narayana Nethralaya Eye Hospital

"Partnering with PFMECT for this eye screening initiative has been a valuable opportunity to raise awareness about eye diseases and emphasise the importance of prevention and early diagnosis, especially among the younger population. We are grateful for this collaboration and look forward to many more successful initiatives together."

Dr Vinod Kumar
Senior lecturer, Dept of Public HD
The Oxford Dental College

"It was an excellent partnership with the Premwati Fakirchand Trust working for a great cause on weekend. The team of young blood seem to dedicate themselves to make the dental screening successful"

Mr. Vaibhav Bharti
Managing Trustee
PFMECT

"Identifying 32 ophthalmic and 9 dental referrals out of 192 screenings underscores the vital need for early campus diagnostics. By backing these findings with direct, discounted care at Narayana Health and Oxford Dental College, we ensured early detection leads to real healing"

On-Ground Deployment Breakdown

CLINICAL SPECIALISTS (15 MEMBERS)

- 8 Ophthalmic doctors & optometrists from Narayana Nethralaya.
- 7 Dental surgeons & postgraduate residents from The Oxford Dental College.

OPERATIONAL FORCE (11 MEMBERS)

- 5 ISBR Student Volunteers and faculty handling student queues & registration.
- 6 PFMECT Operations Officers managing triage & records.

STRATEGIC SYNERGY

Multi-Stakeholder Collaboration Model

Combining institutional resources, clinical excellence, and non-profit logistics to deliver measurable preventive healthcare outcomes.

HOST INSTITUTION

ISBR Business School

Provided premier campus infrastructure in Electronic City, student body outreach, faculty alignment under Dr. Veena, and social impact integration.

OPHTHALMIC CLINICAL PARTNER

Narayana Nethralaya

Deployed specialized optometry teams, optical testing gear, and guaranteed discounted secondary care access at hospital facilities.

DENTAL CLINICAL PARTNER

The Oxford Dental College

Deployed clinical dental specialists under Dr. Vinod Kumar, providing oral diagnostic tools, dental hygiene advice, and OPD concessions.

ORGANIZING TRUST

PFMECT Trust

Led initiative design, clinical partner coordination, remote supervisory direction under Mr. Vaibhav Bharti, and diagnostic data audits.

"Effective institutional partnerships succeed when they move beyond ceremonial agreements and deliver direct, measurable medical relief to youth and campus communities."

ABOUT PFMECT

Premwati Fakirchand Memorial Educational & Charitable Trust

Premwati Fakirchand Memorial Educational & Charitable Trust (PFMECT) is a registered non-profit organization dedicated to enhancing educational access, healthcare dignity, and community welfare across India.

Our Mission

To empower underserved communities through structured programs in healthcare support, educational scholarships, and livelihood dignity.

Our Vision

A transparent, equitable society where every individual has access to fundamental healthcare services and quality learning opportunities.

Statutory & Trust Compliance Credentials

12A Certified

80G Tax Exempt

NITI Aayog DARPAN

TechSoup Verified

Goodstack / GuideStar

Note: Supporting registration and compliance documents are available for institutional and corporate due diligence upon request.

LET'S CREATE IMPACT TOGETHER

Host an Institutional Development & Partnership
Programme at your organization.

Partner with PFMECT to engage students and create measurable community impact
